

Quality Management System Scope and Policy

Scope

Key Traceability Ltd., located in Portsmouth, England, providing consultancy and auditing services to the seafood sector to clients worldwide

Policy

Key Traceability Ltd. provides consultancy and auditing services to the seafood sector to clients globally. The Company was established to use and develop its expertise with the aim of a high standard of service, professionalism and confidentiality for its customers.

It is the policy of Key Traceability Ltd. to provide our clients with services to the agreed requirements in accordance with the details and price set.

The Company management and staff are responsible for Quality Control through the Quality Management System; seeking improvement through regular review by Top Management and committing the necessary resources to achieve the requirements set. The Company is committed to achieving client satisfaction by the use of quality procedures to meet or exceed the requirements of ISO 9001.

Non-Applicable Requirements of the Standard

7.1.5.1 and 7.1.5.2 as no monitoring or measurement equipment is used.
